CLEAR SILICONE TUBE STANDARD SIZES

Jehbco Clear Silicone Tubing (also available in colors upon request) is supplied in individually sealed and packaged 15 meter coils.

Manufactured from 100% Platinum Silicone elastomer, it is environmentally friendly and unlike its plastic alternatives, releases no toxic fumes when disposed of by incineration.

Being an F.D.A and European Pharmacopoeia approved material; it is odorless, tasteless and non-toxic.

Part No.	Inside DIA	Outside DIA	Burst Pressure
	mm	mm	psi
JHS07616	0.8	1.6	***
JHS10216	1.2	2.2	***
JHS16241	1.6	2.4	***
JHS16318	1.6	3.2	***

* Burst pressures are typical results obtained at 20 degrees C. The figures are approximate and provided for comparison only, and do not constitute a specification. An adequate safety allowance (minimum 3:1) must be made in determining maximum working pressure.

** other sizes available upon request**

Typical Applications:

- Peristaltic Pumps
- Aspirating
- Suction
- Infusion
- Anaesthetic Machine Circuits
- Food Manufacturing & Processing
- Laboratory and Scientific Equipment

Physical Properties:

Hardness (durometer)	60 Shore A
Tensile Strength	10.8 MPa
Elongation at Break	400%
Tear Strength	34 kN/m
Brittle Point	-82 C
Working Temp. Range	-50 C to +260 C
