

SILICONE EXTRUSIONS

Jehbsil Silicone rubber profile extrusions are available with an extensive range (over 2000 profiles) to suit your needs.

With our own in-house tool making division we can custom-make your dies to a specific shape. Particular attention is given to detail so the extruded profile is to your requirements.

Suitable compounds together with tolerance accuracy and colour matching for high and low temperature requirements give you a limitless variety of profile shapes.

Food grade and flame retardant materials are also available. Please feel free to request a free quotation.

Jehbsil Silicone products are made of 100% Silicone!
Gaskets and seals can be made from any of our extrusions!
