

# Silicone Strip

Jehbco Silicone Strips are available in an extensive range to suit your needs.

With our own in-house tool making division we can custom-make a specific size for you. Particular attention is given to detail so the extruded product is to your requirements.

Suitable compounds together with tolerance accuracy and colour matching for high and low temperature requirements. The extruded products can be manufactured in a range between 20° to 90° shore A.

Food grade and flame retardant materials are also available. Please feel free to request a free quotation.

Please see list attached for already existing sizes.
